PEDIGREE

The Vista is a stylish hatchback, thoughtfully designed for new families. Striking triple-barrel headlamps, bumper mounted fog-lamps, chrome inserts and a sporty grille herald the arrival of the new Vista. And that's just the exteriors.

COMFORT & CONVENIENCE

The car's interiors welcome weary travelers with relaxing head, thigh and lumbar support. A 2-DIN music system with steering mounted controls and phone connectivity help calm your senses, through the toughest of jams. The 232 L boot space offers larger luggage carrying capacity, for those road trips with the family.

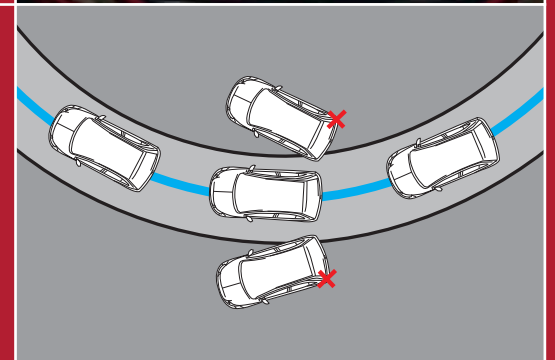

UNDER THE HOOD

Powered by the internationally acclaimed 1.4L Safire (Petrol) engine, the car is fuel economical, reliable and fun to drive. It's the perfect combination of modern aesthetics and sound suspension, skillfully designed to keep you from being thrown about on rough road surfaces.

ON THE SAFE SIDE

It offers drivers & passengers front airbags, ABS & EBD, a collapsible steering column, crumple zones and side intrusion beams to keep you and your loved ones safe, should anything untoward happen.
