MANZA

THE TATA MANZA IS THE KIND OF CAR THAT
DEMANDS A SECOND LOOK - AND FOR GOOD REASON.
ITS SOLID FRAME MELTS INTO SLEEK LINES
PUNCTUATED BY CHROME.

PEDIGREE

The Manza proudly bears its lineage with the signature Tata grille, triple barrel headlamps and chrome inserts. The car's contemporary stance is as easy on the eyes as it is dominant on the roads. 15" wheels combine form and function by adding to its poise and ground clearance.

COMFORT AND CONVENIENCE

It spoils you for comfort with ergonomically designed seats, adjustable one-touch climate control and in-cabin noise cancellation. Thoughtful features like large boot space, tilt-adjustable steering, Bluetooth hands-free phone connectivity and a 2-DIN music system really make every journey a treat. But don't take our word for it - take the Manza out for a drive.

UNDER THE HOOD

State-of-the-art engine capable of running in Petrol. Enough said. 1368 cc. 4 cylinders. 16 valve, Multi-Point fuel injection.

ON THE SAFE SIDE

The inside of the car is one of the safest places to be on the road. Dual airbags - driver and passenger work in tandem to prevent injuries, in case of an accident. In fact, it also comes with ABS and EBD as standard features.
